Grow Up

company

Grow Up is a play about the beautiful, messy and joyful journey through teenagehood.

It's about memory, joy and dreams for the future. It's about beaches and GCSEs. It's about what it's like to be told to grow up, but never being given the space to do that.

Join eight teenagers as they discover themselves and the world together.

Grow Up is co-created with and performed by the company of thirteen- to sixteen-year-olds from Islington, drawing upon their life experiences.

Grow Up has been created in collaboration with three other youth theatres from across the country as part of the Grow Up Exchange: Beyond Face, Mortal Fools and Prime Theatre.

About Company Three

Company Three is a leading force for change for teenagers in our local community and around the world.

We are a theatre company led by the ideas of our 75 members aged 11-19. We recruit our members through deep-rooted relationships locally and share our practice globally to impact teenagers everywhere.

Working in Islington, North London, we make transformative theatre through long-term collaboration between young people and professional theatre-makers. Our plays have been performed at the National Theatre, Battersea Arts Centre, the Royal Exchange Theatre, the Yard Theatre and on the BBC.
